

An exploded view diagram showing the components of a WABCO brake chamber assembly. The parts are arranged diagonally from top-left to bottom-right. From left to right, the components are: a large black circular diaphragm; a small metal retaining ring; a tan-colored cylindrical sleeve; a black O-ring seal; three smaller metal retaining rings; another tan-colored cylindrical sleeve; and a black curved lever arm. In the bottom-left corner, there is a vertical rectangular label with the WABCO logo and technical specifications in English and Chinese.
